

U.S. Fishery Management Allocation and Harvest

Shuping Wang

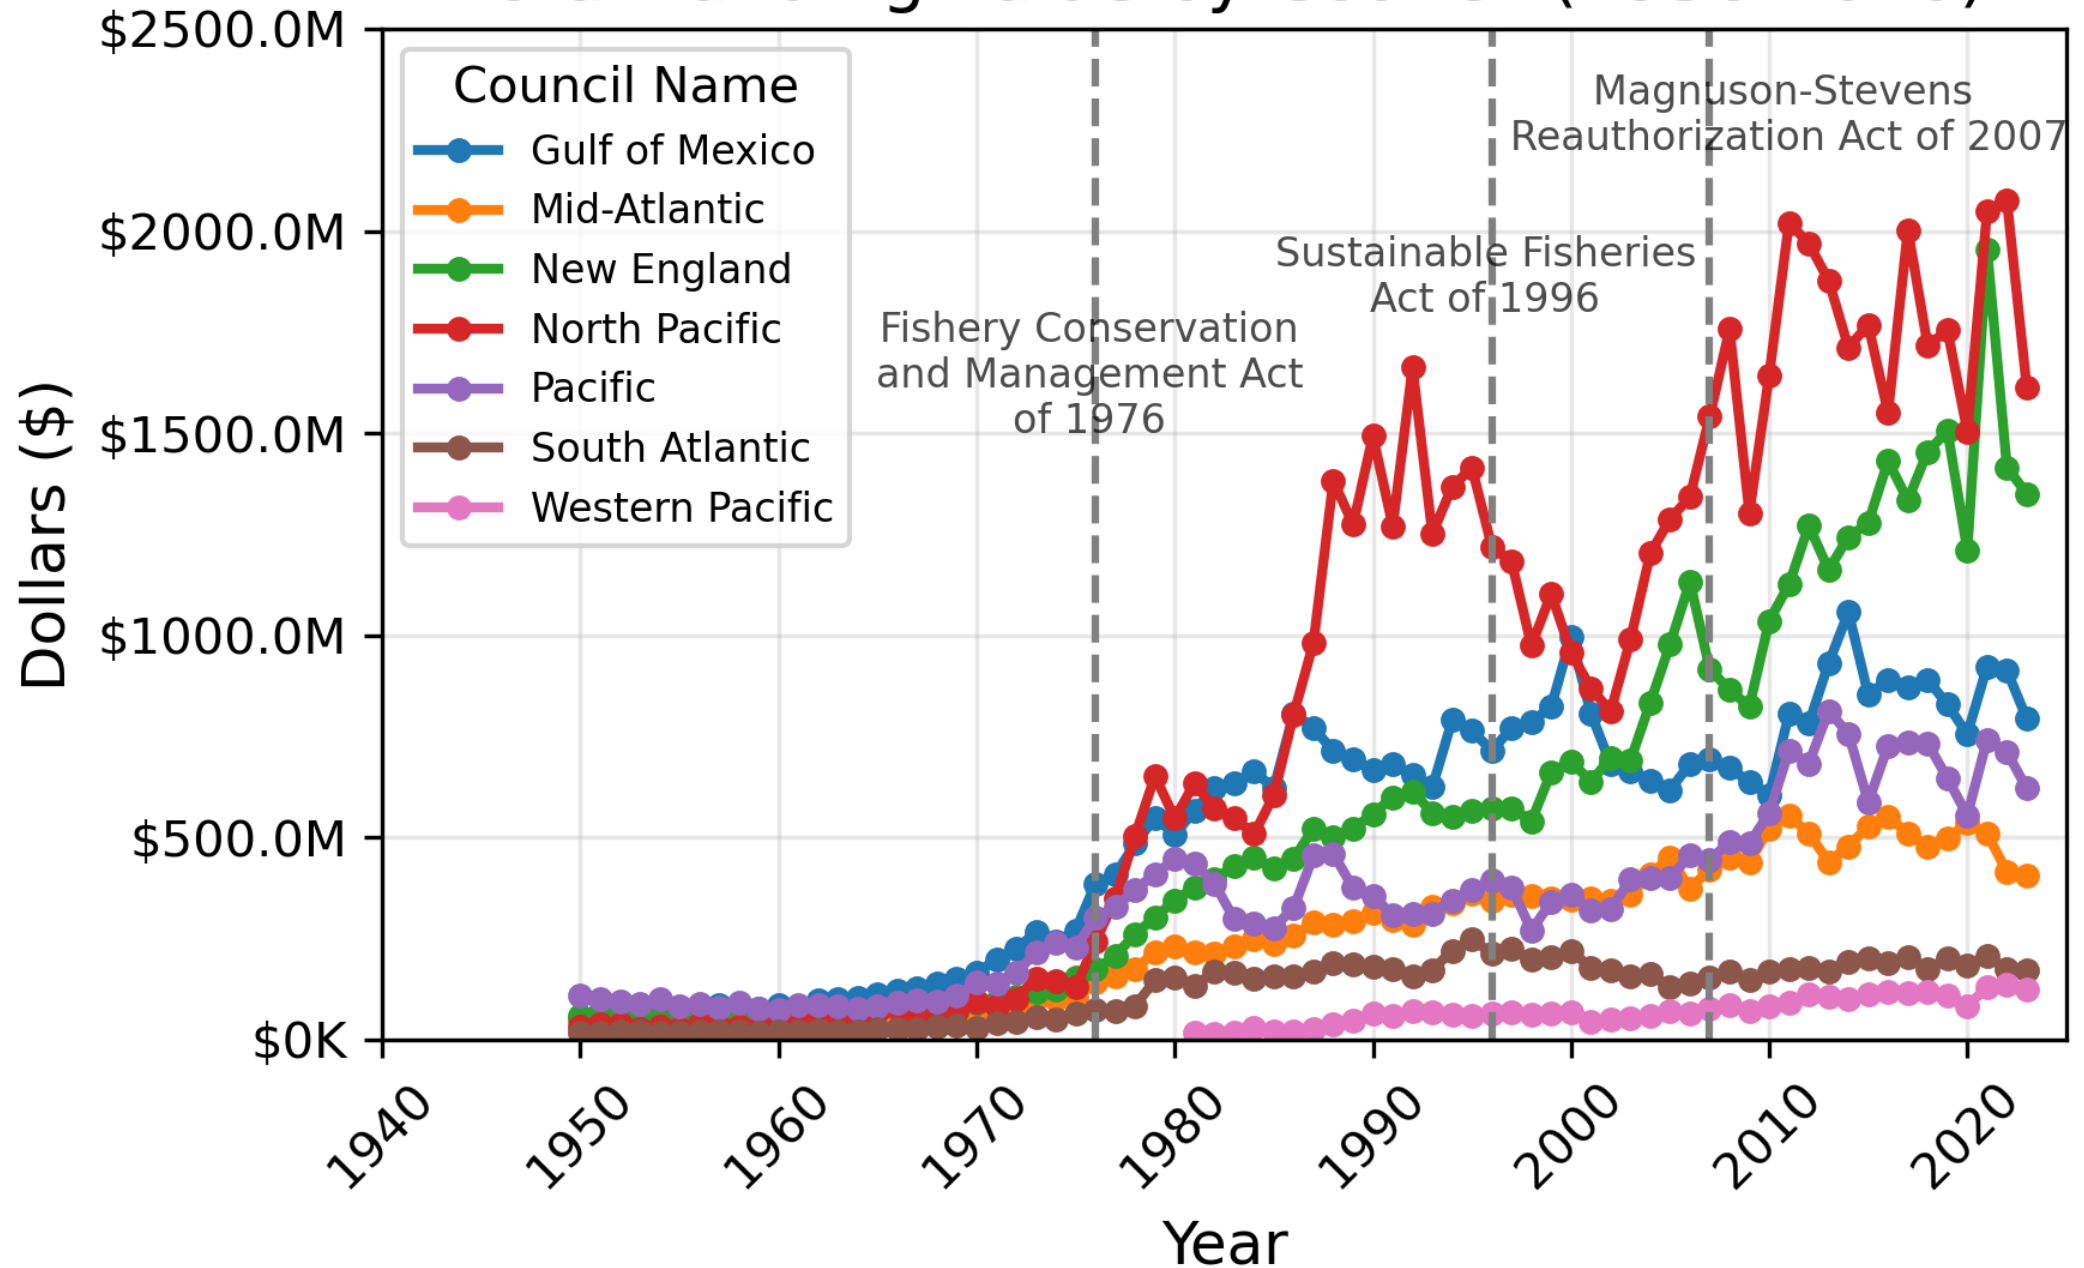

4/22/2025

Research questions:

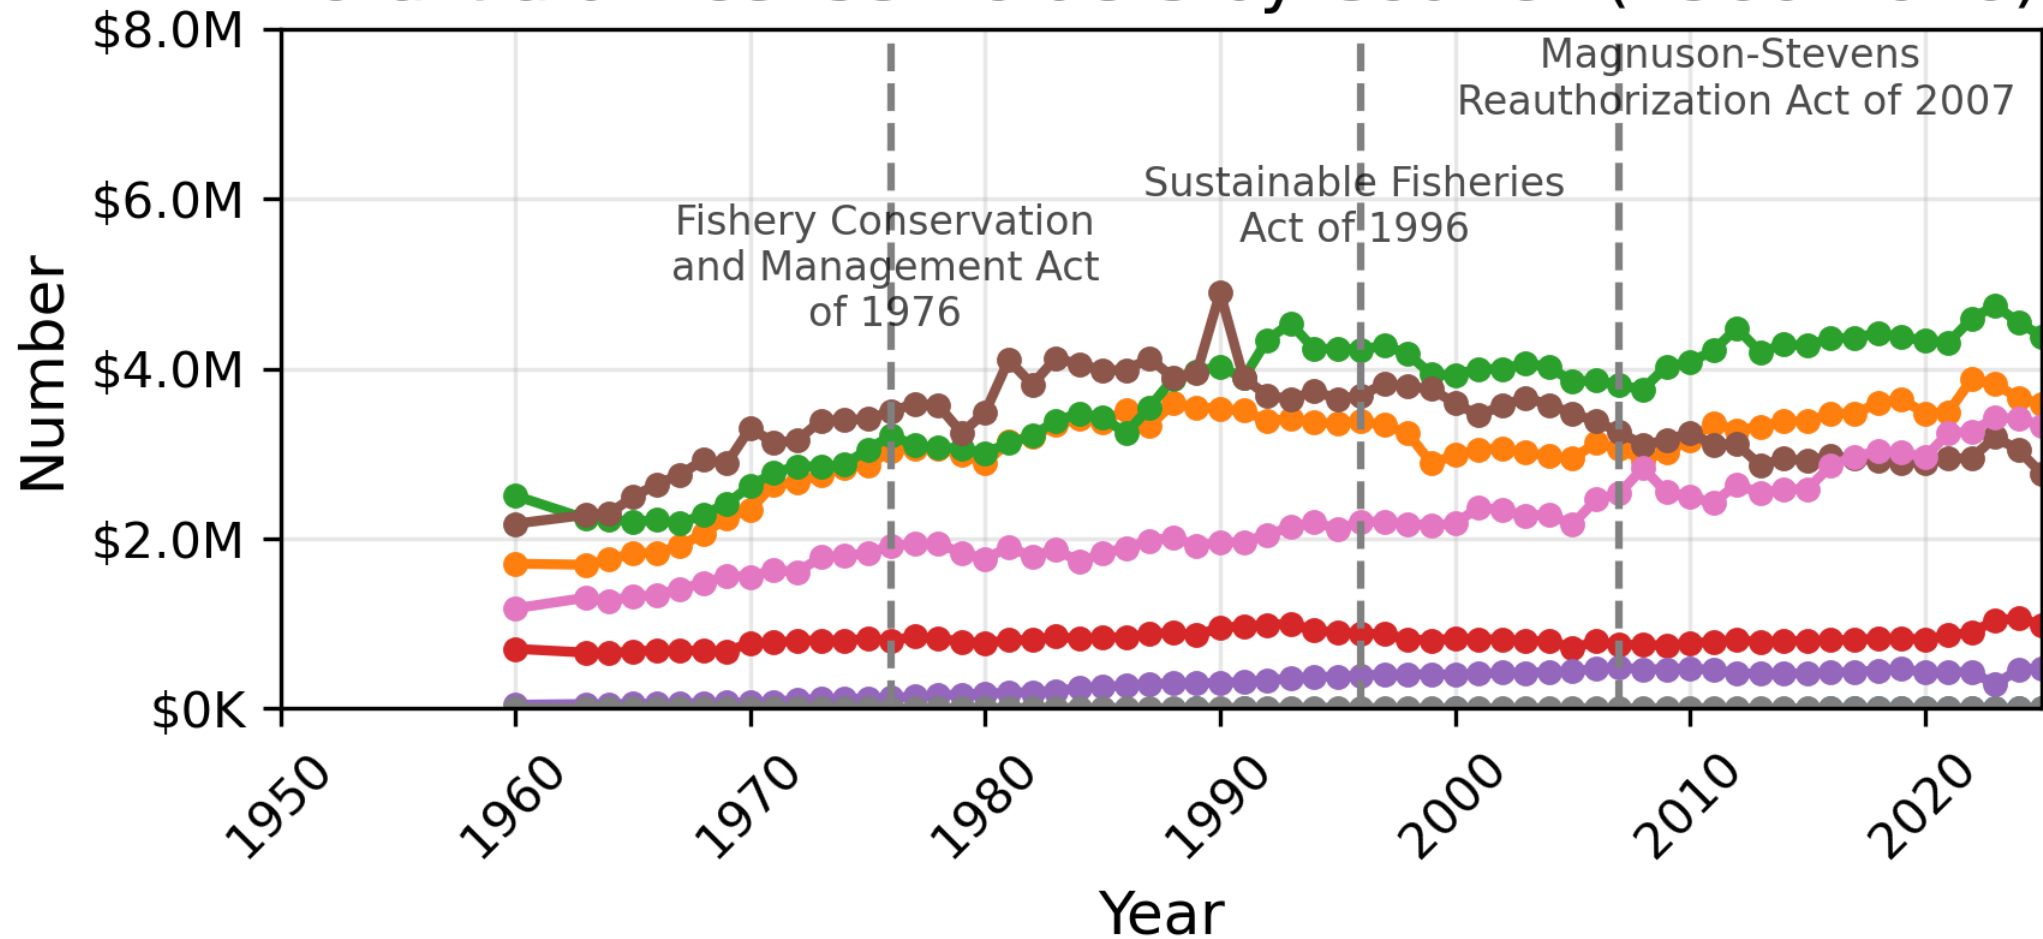

1. What are the trends of total landing value and paid licenses holders?
2. How is fishery economics in commercial sectors different across all councils and states?
3. *How is fishery economics in recreational sectors different across all councils and states?*

Total Landing Value by Council (1950-2020)

Total Paid License Holders by Council (1960-2020)

Fishery Economic Impact on Jobs by State, Commercial Sector (2022)
